- Please cover all books and copies. Write your child's name clearly on the covers and on the folders. Place books, copy, glue and folders in a carrier bag and give it to the class teacher.
- Please make sure that your child's name is on her cardigan, jumper and coat. Attach a keyring that your child will recognise, to the zip of her school coat. This will help her to find her coat with ease.
- It is necessary for your child to have at least 2 sharpened junior pencils (i.e. hand hugger/triangular pencils), a white rubber and crayons or colouring pencils (no markers) in her schoolbag every day. Please make sure that each pencil (including "Crayola Twistables" if your child is using them) is marked clearly with her name or a sticker that she'll recognise.
